THE NEW SCHOOL
A UNIVERSITY

Facts and Figures
Fall 2006

The New School is a legendary, progressive university comprising eight schools bound by a common, unusual intent: to prepare and inspire its undergraduate students, graduate students and adult learners to bring actual, positive change to the world. From its Greenwich Village campus, The New School launches economists, actors, fashion designers, urban planners, anthropologists, orchestra conductors, filmmakers, political scientists, organizational experts, jazz musicians, scholars, psychologists, historians, journalists, and above all, world citizens - individuals whose ideas and innovations forge new paths of progress in the arts, design, humanities, public policy, and the social sciences.
