APPLICATION CALENDAR

All auditions and exams take place at Mannes. Entrance Auditions are held three times a year, in mid-January, early summer, and late-August. Deadlines vary according to which of the three auditions you would like to attend. Generally, your application is due one month before you audition. Students who need housing, financial aid, or international applicants requiring a visa are strongly encouraged to apply much earlier. Call or email us if you are concerned about timing.

New students may enter in the Fall or Spring semester. Diploma students are welcome to take classes in the Summer semester, although summer study is optional. Classes taken during the summer will count toward graduation *only if you register on a credit basis.*

Applicants to the Diploma Program must be high school graduates or have a secondary school equivalency certificate by the time of matriculation.

THE APPLICATION PROCESS

Live Audition at Mannes All applicants for performance majors are required to perform a live audition at Mannes. Applicants are required to use an accompanist for all appropriate literature. A piano accompanist will be provided for applicants auditioning for voice or orchestral instruments. It is the applicant's responsibility to supply sheet music for the accompanist as appropriate. Recorded auditions are allowed for "pre-acceptance" for those who are geographically removed from Mannes, but a live audition will be required at the start of the semester.

Composition and conducting applicants will be accepted by interview with the Extension Division staff. See the enclosed catalog for more information about your audition.

Musicianship Placement Exams and Interviews Placement exams and interviews are required for all applicants to assist in placement in Theory, Ear Training, and Dictation.

Financial Aid For American Citizens and permanent residents seeking need-based financial aid only: A completed Free Application for Federal Student Aid (FAFSA) which may be obtained from www.fafsa.ed.gov. The New School University FAFSA code is 002780.

Scholarships The Extension Division does not offer scholarships.

International Applicants Mannes attracts musicians from all over the world. New School University and Mannes College of Music is approved by the United States Department of Justice as an accredited institution of higher learning for international students registered in full-time degree and diploma programs.

TOEFL Although TOEFL is not a requirement for admission to the Extension Division Diploma program, classes are taught in English and basic competence in English is required of all entering students.
