General credit students are nonmatriculated—not candidates for any New School degree. Credits for courses in this catalog are undergraduate credits. If you have not previously registered for general credit at The New School or wish help in choosing courses, consult Academic Services in the dean's office before registering: 212.229.5615; *academicservices@newschool.edu*. Credits for courses taken prior to matriculation in a degree program may be applicable to the degree, subject to evaluation at the time of matriculation.

All students are responsible for knowing the academic regulations published in this catalog. General credit registration for 9 credits or more requires prior approval and must be completed in person.
