Columbia University - Give + Go Green

Innovation

Give and Go Green collects objects from students and sells them back to students at the beginning of the year.

The screenshot shows the 'OUR GREEN INITIATIVES' page under the 'HOUSING' section of the Columbia University website. The page is divided into a left sidebar with navigation links and a main content area. The sidebar links include: Welcome, Incoming Students, Current Students, Summer Residents, Guest & Conference Accommodations, Residence Halls, Guide to Living, Our Green Initiatives (with sub-links for Give + Go Green, Green Check Out, Guide To Green Living), Forms and Applications, About Us, and Calendar. The main content area features a 'GIVE + GO GREEN' section with links to 'Give + Go Green / Clean + Go Green', 'Computer Reuse Program', and 'Other Information'. It includes a 'Moving Out or Just Cleaning Up? Donate Your Stuff!' section with a paragraph about Eco-Reps and a 'Drop-off location' list for May 10-13. There is also an 'Items to Donate' section, a 'Supporting Local Charities' section, and a 'Maintenance Request' button. At the bottom, a search bar and a 'Search' button are visible. The page also mentions a 'Spring 2010' participation summary.

sustainability@BU **Move Out**

Last May, BU diverted 35.24 tons of reusable stuff. Let's do it again by helping sustainability@BU and Goodwill collect used items. Stop by your Res Life office for a collection bag, fill it up, and deposit it in a designated bin April 25 through May 26.

Textbooks
Next to the Goodwill bins, Barnes & Noble will provide boxes for book collection.

UC Berkeley - Don't Trash Berkeley

Innovation

The Bear-ly Used program picks up lightly used furniture from students living off-campus who otherwise could not donate large items. Everything collected will be sold to the Berkeley community at the Bear-ly Used Bazaar.

MOVING OUT THIS SUMMER?
Don't trash Berkeley!
Join the Cal Move-Out program and help keep our city clean and green
April 29 - June 4, 2011

Follow these **FOUR EASY STEPS** for a smart and sustainable move:

- 1 PLAN AHEAD.** Don't wait until the last minute and then just throw everything in the trash or on the curb. Fines for illegal dumping start at \$100.
- 2 REUSE.** Sell reusable furniture, appliances, and clothing items online or donate to a local charity. Cal students can schedule a Bear-ly Used pickup at calmoveout.berkeley.edu
- 3 RECYCLE.** Use the city's blue bins to recycle cans and bottles. Bundle newspapers and cardboard. Electronics contain hazardous waste and should never be placed curbside or in debris bins. Visit the Cal Move-Out web site for information on how to properly dispose of e-waste.
- 4 USE DEBRIS BINS.** Neatly place unwanted, non-recyclable items in specially marked Cal Move-Out debris bins located in neighborhoods near Campus. No toxic items, please!

Report illegal dumping to the Berkeley Police at (510) 981-5900.
Call the City Manager's office at (510) 981-7071 when a bin is full.
