Students who apply for housing provided by The New School in Paris agree and understand the following:

1. Students will be required to sign housing contracts for both API (the program coordinating housing in Paris) and Comforts of Home (the company acquiring the Parisian Apartments). Failing to agree to sign both contracts will result in the denial of housing in Paris by The New School without refund.
2. Students applying for housing in Paris agree to live in housing provided by The New School for the full academic year, unless students are only studying at Parsons Paris for only one term (see points 5 and 6).
3. If space permits, New School students studying abroad in Paris but not at Parsons Paris are eligible to live in The New School provided housing.
4. Once students are assigned, the \$350 housing deposit will be used as a damage deposit. A \$75 cleaning fee will be deducted from the \$350 housing upon check out. If individual cleaning and/or damage fees exceed \$75 in total, more may be charged to the student's account after move out.
5. Students can cancel housing in writing before July 1, 2016, and only forfeit the \$350 housing deposit. Students who choose to cancel on or after July 1, 2016, are not eligible for any refund and will be charged the full academic year housing rate (or semester rate if applicable).
6. Academic Year Mobility Students who wish to return to the New York campus for the Spring semester must submit their housing cancellation request in writing before November 15, 2016 to the Parsons Paris Office of Student Life. Academic Year students who cancel on or after November 15, 2016 are not eligible for any refund and will be charged for the Spring term.
