SERVICE LEARNING PROJECTS

The following list is a sample and description of Service Learning Projects undertaken by students.

With the Small Business Administration / SBDC

Bretton Industries	Company which manufactures canvas for U.S. Army Hummer vehicles and related products. Requested methods for more efficient plant operations and use of material resources.
Oven Craft Industries	Company which manufactures custom designed, high quality brick ovens (only found in the best restaurants) looking to expand production by making parts more "modular".

With Nonprofit Umbrella Organizations

ACBAW Museum	Art Museum in Mt. Vernon, New York; seeking to explore ways and cost estimate to renovate the museum via converting to "artist-in residence"
Scarsdale Historical Society	Historical society in Scarsdale, NY, seeking ways to promote itself and communicate to the community its various programs.
Brooklyn Art Loop	Mapping of the Brooklyn Art Loop - encourage tourists and visitors to tour Brooklyn's historical, cultural and artistic sites.
NWCA	Northern Western Center for the Arts - seeking ways to better serve the community.
Rx Arts	Nonprofit organization with a mission to make hospital stays less frightening via use of art. Current project is to obtain funding to install movie projectors depicting hologram images of animals (tigers, lizards, birds) walking on the hospital's walls, floors and ceiling - to distract the children undergoing chemotherapy, radiation therapy and surgery from their pain and anxiety.
PEN	Organization dedicated to improving literacy seeking to increase its visibility.
American Place Theatre	Professional nonprofit theatre dedicated to improving literacy and knowledge of American literature by performing classical American literature works (House on Mango Street, Mice and Men) on the theatre.
Instituto de Arte Teatral Internacional	A Spanish theatre company in lower Manhattan seeking methods to raise \$1,600,000 in their Capital campaign for purchase of a modern building
Paramount Arts Center	A majestic old-time theatre in Peekskill, NY, was seeking ways to raise funds for major refurbishment and be a cultural anchor to the downtown of this city.
Clay Arts Center	An organization, located in Port Chester, NY, with a national reputation, dedicated to education via clay arts
New Rochelle Opera	Students assisted a community-based opera company with fund-raising, grant-funding, marketing and financing
Fusion Soccer	Students assisted this non-profit soccer organization with budgeting, location of new fields for disadvantaged students and grants

Entergy	Students interviewed executives of this major corporation of, “What they look for”. In grant proposals, which can be disseminated to other nonprofits as a guideline
---------	--

With Nonprofit Umbrella Organizations (continued)

Friendship Ambassadors Foundation	The mission of FAF is to promote mutual understanding and goodwill for people by creating meaningful cultural enrichment. We are creating and updating databases of supporters, members, etc for the New York Chapter (currently underway)
--	--

Pelham Arts Center	The Pelham Arts center is a cultural institution in Westchester County, NY. We are creating and updating databases of supporters, members, etc for the organization (currently underway)
---------------------------	--

Westchester Arts Council	The arts community contributed approximately \$92 million to the Westchester County community in 2000. This statistic and related information was part of an econometric research effort by an independent firm in 2000. The Westchester Arts organization requested we update the study to reflect changes since 2000. The Westchester Arts Council is hoping our research which show the economic impact benefits to be about \$100 million for 2004.
---------------------------------	---

Women’s Enterprise Development Center, Inc.	Assist low income women develop entrepreneurial home-based businesses by providing expertise in accounting, budgeting, finance, marketing and operations. Some businesses included: candy-making, canned goods, haberdashery, laundry, etc.
--	---

With Grassroots Political Organizations

Working Families Party	The Working Families Party is a grassroots, third political party, primarily organized in New York State. Students participated in debates on "Living Wages", health care and other social issues and worked in small local campaigns. The goal was to show students integration of Economics and Politics.
-------------------------------	---

<u>Miscellaneous</u>	Students volunteered time in soup kitchens, food pantries and children
-----------------------------	--

COURSES
TAUGHT BY
LARRY O'CONNELL

COURSE	UNIVERSITY	APPROXIMATE DATES	COMMENTS
ECONOMICS			
<i>Macroeconomics</i>			
Macroeconomics	Pace University	1985 - 2000	Encompassed service learning projects as a course prerequisite - supplemented all notes, lectures with online piece. Students visited Federal Reserve Bank of New York and United Nations
Macroeconomics	City University of New York - Lehman College	2004 - present	Students worked on a project to pass a living wage in New York State and worked with economically disadvantaged women - supplemented notes with online materials Students visited Federal Reserve Bank of New York and United Nations

The United States and Globalization	New York University	2007	With the Osher Foundation
Macroeconomics	New York University	Fall, 2008 - 2010	For undergraduates and students taking Macroeconomics as prerequisite for Graduate School
Microeconomics			
Microeconomics	Pace University	1985 -2000	Encompassed service learning projects as a course prerequisite - supplemented notes with online materials Students visited Federal Reserve Bank of New York and United Nations
Microeconomics	City University of New York - Lehman College	2004 - present	Students worked on a project to pass a living wage in New York State and worked with economically disadvantaged women - supplemented notes with online materials Students visited Federal Reserve Bank of New York and United Nations
Microeconomics	City University of New York - Bronx Community College	2002 -2009	Students worked on a project to pass a living wage in New York State
Microeconomics	State University of New York - Westchester Community College	2001 - 2004	
Microeconomics	State University of New York - Purchase College	1996 - 1999	
Microeconomics	State University of New York - Maritime College	2002 - 2004	Quasi-military college
Microeconomics	Mercy College	1999 - Present	
Microeconomics	Saint Joseph's College of Maine	2005 - Present	
Microeconomics	Concordia College	2005	Primarily fast track for B.S.
Microeconomics	Audrey Cohen of Metropolitan College	summer 2006	
Intermediate Microeconomics	City University of New York - Lehman	2004 - present	

	College		
Microeconomics	The New School	Fall, 2008	Serve as Microeconomics Teaching Assistant for Students at Parsons School of Design
Money & Banking			
Money & Banking	Pace University	1990 - 2005	Students visited Federal Reserve Bank of New York
Money & Banking	City University of New York - Lehman College	2004 - present	Students visited Federal Reserve Bank of New York
Other Economics Courses			
Labor Economics	City University of New York - Lehman College	2005	
Labor Economics	Boston University	2006	One of six online facilitators for student cohort
Environmental Economics	College of New Rochelle	2006	Arranging for student internships with non-profit environmental groups
Managerial Economics	University of California - Los Angeles	1998 - present	online course
Managerial Economics	Concordia College		Primarily fast track for B.S.
Quantitative Analysis	Pace University Graduate School of Business	1998 - 2004	
Math for Economists	Pace University Graduate School of Business	1998 - 2004	
Economic Forecasting	Pace University	1990 - 1992	
Introduction to Economics	The University of Maryland	2004	online course with The University College
The United States and Globalization	New York University	2007	With the Ocher Foundation
The Economy As A System	St. Joseph's College of Maine	2007	Graduate level course
Econometrics	St John's University	Spring, 2007	
Econometrics	Bard College	Fall, 2007	With environmental emphasis
Ethics and Economics	Fordham University	Summer, 2007	
Core Economics	Manhattan College	January 2008	Core course for Liberal Arts
Environmental Economics	Manhattan College	Spring, 2008	
History of Economic Thought	SUNY - New Paltz	Summer, 2009	Following Robert Heilbroner
Economic Research	SUNY - New Paltz	Summer, 2009	Primarily a course on methodology of conducting Economic research. Taught to students, primarily from Turkey
Math for Economists	European School of Economics	Spring, 2008	Taught this course to primarily European students

<u>ACCOUNTING & FINANCE</u>				
Accounting				
Principles of Accounting	California State University - Dominguez Hills	2004 - 2005		Online accounting / finance course for MBA / MSEM programs - coupled with finance course listed below
Principles of Accounting	New York Institute of Technology	2006- 2010		Supplement all lectures with online materials
Principles of Accounting	CUNY - Baruch College	2000 / summer 2006		
Accounting for Small Business Owners	Marymount Manhattan College	2004		
Principles of Accounting - 1	New York University	summer 2006 - 2011		
Principles of Accounting - 2	New York University	summer 2006 - 2011		
Financial Statement Analysis	Mercy College	2006 to present		online course
Financial Statement Analysis	New York University	summer 2006 - 2010		
Principles of Accounting - 1	New York Institute of Technology	2007 - 2011		
Principles of Accounting	The New School	Spring, 2009 - present		Developed online accounting course to be presented in Spring, 2009
Finance				
Introduction to Finance	California State University - Dominguez Hills	2004 - 2007		Online accounting / finance course for MBA / MSEM programs - coupled with accounting course listed above
Introduction to Finance	Southern New Hampshire University	2000 - 2005		online courses
Introduction to Investments	Southern New Hampshire University	2000 - 2005		online courses
Investment Analysis	CUNY - Baruch College	2000 / summer 2006		
Investment Analysis	Marymount Manhattan College	2003		
Finance for the Non-Financial Manager	University of California - Irvine	Jan, 2007 -2011		Developed this course for UCI
Finance for the Non-Financial Manager / Financial Ratio Analysis	CUNY - Baruch College in concert with New York City Housing Authority	December, 2006		Provided two day seminar for New York City Housing Authority on Financial Ratio Analysis
Foundations of Finance	The New School	Fall, 2009 - present		Developed this online course for The New School
Personal Finance	New York University	Summer, 2009		

Managerial Economics	Marylhurst University	Fall, 2010 - Summer 2011	Online MBA finance course focused on environmental issues
Managerial Economics	UCLA	1997 - present	
Personal Finance

Consumer Finance	Lehman College of CUNY	2010 - 2011	
Budgeting / Personal Finance	Taconic Women's Prison	Various	Volunteer teaching basic personal finance to incarcerated women
<u>STATISTICS / QUANTITATIVE ANALYSIS</u>			
<i>Statistics</i>			
Statistics	Pace University Graduate School of Business	1998 - 2003	Supplemented all lectures with online materials
Statistics	Audrey Cohen College	2006	Primarily geared to statistics for Human Service students
Statistics	St Joseph College of Maine	2005 - present	Online course – primarily for nurses
Statistics	Fordham University	Spring 2007 - present	Major student project will be using their statistical knowledge to assist with community and economic development
Econometrics	St John's University	Spring 2007	
Econometrics	Bard College	Fall, 2007	With environmental emphasis
Statistics	New York Institute of Technology	January, 2008	
Statistics for Nurses / Health Professionals	The University of Mary	Spring, 2013	M.S. Online course for nursing students
Statistics	Florida Tech	Spring, 2011	Online course
Statistics for Human Resource Professionals	Mercy College	Fall, 2013	MBA Online Course

Econometrics	New York Institute of Technology	Fall, 2013	MBA Course
<i>Quantitative Analysis</i>			
Quantitative Analysis	Pace University Graduate School of Business	1998 - 2003	Supplemented all lectures with online materials
Quantitative Analysis	CUNY - Lehman College	2004 - 2005	Supplemented all lectures with online materials
Quantitative Analysis	CUNY - Graduate School	2004 - 2005	Supplemented all lectures with online materials
Quantitative Analysis	New York Institute of Technology - Ellis College	2006	online course with prepackaged problems for students to solve using linear programming and related procedures
Quantitative Analysis	New York Institute of Technology	January, 2008	
Quantitative Analysis	European School of Economics	Fall, 2008	MBA course for European students studying in the United States in a consortium of European universities
Mathematical Analysis	European School of Economics	Fall, 2008	MBA course for European students studying in the United States in a consortium of European universities
<u>GENERAL MANAGEMENT / STRATEGIC MANAGEMENT / PROJECT MANAGEMENT</u>			
Principles of Management	New York University	2004 - 2005	Supplemented all lectures with online materials
Principles of Management	Fordham University	2004 - 2005	online course
Principles of Management	CUNY - Lehman College	2004	Supplemented all lectures with online materials
Principles of Management	Audrey Cohen College	2005	Supplemented all lectures with online materials
Strategic Management	New York University	2004 - 2005	Supplemented all lectures with online materials. Students completed 10 service projects for non-profit organizations
Effective Decision Making	New York University	2003 - 2004	Supplemented all lectures with online materials
Train the Trainer	New York University	2003	
Organizational Behavior	Fordham University	2005	Hybrid in-person / online course
Organizational Behavior	Salve Regina University	January 2007 - Present	Online Course
Project Management	Polytechnic University	1995 - 2001	Students worked on nonprofit

	Graduate School of Management			and Small Business Administration projects
Operations Management	Polytechnic University Graduate School of Management	1995 - 2001		Students worked on nonprofit and Small Business Administration projects
Operations Management	Pace University Graduate School of Business	2003		Supplemented all lectures with online materials
Construction Management	Polytechnic University Graduate School of Management	1995 - 2001		Students worked on nonprofit and Small Business Administration projects
Supply Chain Management	Polytechnic University Graduate School of Management	1995 - 2001		Students worked on nonprofit and Small Business Administration projects
International Business	Marist College	January, 2008		
Operations and Resource Mgmt.	European School of Economics	Fall, 2008		MBA course for European students studying in the United States in a consortium of European universities
Capstone Management Course	Manhattan College	Spring, 2013		Capstone course, whereby students prepared consultant studies for nonprofit organizations
NONPROFIT MANAGEMENT				
The Business of Nonprofits	UCLA	Spring, 2013 - present		Developed first online course on nonprofit management, integrating Apple's I-Pad software with UCLA's Learning Management System
				Originally was going to be one course but expanded to two courses
Finance for Non-Financial Manager	Baruch College of the City University of New York	December, 2006		Provided two day seminar for New York City Housing Authority on Financial Ratio Analysis
INFORMATION TECHNOLOGY / COMPUTER APPLICATIONS				
Computer Applications (Word, Excel, Access)	Fordham University	2003 - 2005		Hands-on course using Microsoft products
Computer Applications - 2 (Word, Excel, Access)	Fordham University	2003 - 2005		Hands-on course using Microsoft products - students updated databases for nonprofit organizations
Database Analysis	Fordham University	2005		Hands-on course using Microsoft products - students

				updated databases for nonprofit organizations
Systems Analysis	Fordham University	2004 - 2006		Supplemented all lectures with online materials
Computer Applications (Word, Excel, Access)	B.O.C.E.S.	1999		Adult training program
Computer Design / E-Business	Metropolitan College	2007		
Information Technology / Web Design	Fordham University	2007		Hybrid online / face-to-face course - students will use their knowledge and skills to assist a nonprofit organization
Research Methods	Metropolitan College	2007		
Operations and Resource Mgmt.	European School of Economics	Fall, 2008		MBA course for European students studying in the United States in a consortium of European universities
Database Analysis / Information Retrieval	Fordham University	Summer, 2009		
Cyberspace and Computer Ethics	Fordham University	Winter, 2008		Seminar course on cyberspace and computer ethics
<u>Environmental / Sustainability Courses</u>				
Environmental Economics	College of New Rochelle	2006		Arranged for internships with nonprofit environmental organizations
Econometrics	Bard College	Fall, 2007		With environmental emphasis
Environmental Economics	Manhattan College	Spring, 2008		Students participated in "Focus the Nation" presentations
Ph.D. Dissertation Mentor	Mountbatten Institute	/2010		Was Ph.D. advisor for student focusing on environmental economics
MBA Course in Sustainable Finance	Marylhurst University	2010 - 2012		MBA course integrating finance and accounting with sustainability
Sustainable Economics	New York Institute of Technology	Spring, 2013		Online course primarily for architectural and engineering students
