As your New School Orientation Team, we want you to know how excited we are that you decided to join us at The New School! Take it from us, your life as a New School student is going to be memorable, challenging, and incredibly rewarding.

The New School Orientation team is here to help you navigate your way to a successful start. The New School may feel overwhelming at first, but we have each made this place our home and can help you do the same. Our advice is to ask lots of questions at Orientation, reach out to other new students, and start making your bucket list of what you want to experience and accomplish over the next few years.

Congratulations on your decision to join the Narwhal family!

Immunization Clinic

Monday-Friday: 10:00 AM - 4:30 PM

New York State law requires that matriculated students born on or after 1957 document their immunization against measles, mumps, and rubella. New York State law also requires documentation of your meningitis vaccine, or that you will receive the vaccine within 30 days, or that you decline the vaccine.

All students must demonstrate that they have read the material distributed by the university on meningococcal disease, and either plan to receive the meningitis vaccination (Menactra, Menomune), have documentation proving receipt of the vaccination within the last five years, or decline receipt of the same. Please note that this immunization is not required but is strongly recommended.
