

ARTS PROGRAM REQUIREMENTS (2012-13)

Students majoring in The Arts choose one of the five concentrations within The Arts: **Arts in Context, Dance, Music, Theater, or Visual Arts**. Each concentration requires a set of courses as specified below, including LINA (Lang Interarts) courses, an aesthetics course, and the Senior Capstone. Students must earn a grade of C or higher in all courses required for their concentration in The Arts.

ARTS IN CONTEXT

Arts concentration: Dance Music Theater Visual Arts

Liberal Arts area of study:

Path Statement: Arts in Context places unusual responsibility upon individual students to articulate their own academic interests and goals, so each student must submit a Path Statement to the Arts in Context Coordinator when declaring this concentration. The Path Statement describes the student's rationale for pursuing one area of study within The Arts along with one Liberal Arts area of study.
