OPTION C:

Students interested in building a program of study around particular themes or areas of inquiry may do so by completing a written path statement indicating the theme(s) they intend to study, the probable selection of courses they will complete, and detailing how the courses build upon the chosen theme(s). The path statement must be approved by the undergraduate director by the beginning of the student's junior year, if the student wishes to pursue this option. A minimum of twelve courses, including two Integrative Courses with a minimum of seven courses at the 3000 level or higher, is required.
