

THE ARTS REQUIREMENTS

TRACK: ARTS IN CONTEXT

The Arts in Context track is intended for students who wish to study intensively in two areas of interest, one a fine art and one a liberal art. Courses are chosen in consultation with a designated AiC faculty advisor. A **written path statement** explaining the student's intended curriculum and rationale are required and should be sent to the Program Coordinator upon declaration.

Students must earn a grade of C or higher in all course requirements for the area of study in The Arts.
