## THE ARTS REQUIREMENTS

## TRACK: ARTS IN CONTEXT

The Arts in Context track is intended for students who wish to study intensively in two areas of interest, one a fine art and one a liberal art. Courses are chosen in consultation with a designated AiC faculty advisor. A written path statement explaining the student's intended curriculum and rationale are required and should be sent to the Program Coordinator upon declaration.

Students must earn a grade of C or higher in all course requirements for the area of study in The Arts.

## Two Integrative Arts courses

## U ULEC 2320 Aesthetics or designated Aesthetics class
