Dear Dean's List Students,

On behalf of The New School, we congratulate you for making the Dean's List for the fall 2008 semester. This recognition is well-deserved since it demonstrates your exceptional academic achievements in pursuing your undergraduate degrees. We know that to make the Dean's List requires not only enormous commitment to your academic studies; it also requires strong organizational skills and the ability to manage responsibilities outside the classroom. This is a major accomplishment in your academic careers and life.

The entire university community celebrates your achievements and continued success.

Bob Kerrey, President

Tim Marshall, Provost
