

**Inter-Care is currently seeking an intern for our Intensive Outpatient Program  
Monday 9-5, Tuesdays, Thursdays approx 9-3pm.**

Here is an updated description:

Inter-care is an OASAS licensed Outpatient Chemical Dependency treatment facility. We have a multidisciplinary team consisting of a Psychiatrist, Physicians Assistant, Psychologists, Social Workers and Credentialed Alcoholism and Substance Abuse Counselors (CASAC).

Inter-care offers clinical internship programs that are a minimum of six months in duration with a minimum time commitment of 20 hours per week. Interns carry a small caseload, co-lead groups, see clients for individual sessions, complete assessments, oversee manage care authorization for services and speak to referents. Interns are given weekly individual and group supervision and staff trainings. They also attend the Wednesday clinical case conferences.
