If you are determined to be newly eligible during one of our “PTF Benefit Eligibility” review we will contact you via email with instructions on how to make your benefit elections in MyDay.

Faculty scheduled to teach in either the spring or fall semester and who are eligible for coverage must pay their full share of the premiums in advance, possibly on a post-tax basis. Faculty who do not prepay for their coverage must earn enough in wages to cover the cost of the premium share of the plan they select.
