Bachelor’s-Master’s Program
Undergraduates in the BA-MA program can earn up to 18 credits (depending on the master’s program) in New School Master’s courses and apply those graduate credits to both their BA and their MA. Submission of the Bachelor’s-Master’s application is required (members of the direct entry cohort do not have to submit an application but do have to declare the Bachelors-Masters combination they wish to pursue). Students should consult their Student Success advisor if they are pursuing a BA/MA, including those offered in Anthropology:

- BA, Anthropology – MA, Anthropology
- BA, Anthropology – MA, Liberal Studies

As of fall 2020, students declaring the major in Anthropology must take twelve (12) courses, outlined as follows. Students must earn a grade of C or higher in all courses to meet the requirements for the major in Anthropology. Declare your major by following the process outlined in Declaring a Major. Students who have declared the major in Anthropology prior to fall 2020 but wish to follow the fall 2020 curriculum may consult their Student Success Advisor about submitting a Change of Catalog Year request.
