2019-20 History Program Worksheet

In addition to the requirements outlined in this program worksheet, Lang has specific general requirements, including a minimum number of credits in liberal arts courses as well as college residency requirements. All students should read the general Degree Requirements at the Lang website [bit.ly/LangBABS]. As well, the History major has certain requirements regarding thematic clusters. All History majors should consult with their Student Success advisor in addition to their Departmental Faculty Advisor each semester to ensure they are on track to graduate.

To be sure the Degree Works version of this worksheet reflects the same information, students should forward any approved exceptions of the following requirements to their Student Success advisor.
