Politics Program Worksheet for 2021-22

Lang’s General Degree Requirements
In addition to the requirements outlined in this program worksheet, Lang has specific general requirements, including a minimum number of credits in liberal arts courses as well as college residency requirements. All students should read Lang’s General Degree Requirements at the Lang website [bit.ly/LangBABS] and consult with both their Student Success advisor and their Departmental Faculty Advisor each semester to ensure they are on track to graduate.

Degree Works
To be sure your Degree Works account reflects the same information in this worksheet, students should forward any approved exceptions of the following requirements to their Student Success advisor.

Bachelor’s-Master’s Program
Undergraduates in the BA-MA program can earn up to 18 credits (depending on the master’s program) in New School Master’s courses and apply those graduate credits to both their BA and their MA. Submission of the Bachelor’s-Master’s application is required (members of the direct entry cohort do not have to submit an application but do have to declare the Bachelors-Masters combination they wish to pursue). Students should consult their Departmental Faculty Advisor and their Student Success advisor if they are pursuing a BA/MA, including those offered in Politics:

• BA, Politics - MA, Politics

As of fall 2020, students declaring the major in Politics must take twelve (12) courses, outlined as follows. Students must earn a grade of C or higher in all courses to meet the requirements for the major in Politics. Declare your major by following the process outlined in Declaring a Major [bit.ly/DeclareAtLang]. Students who have declared the major in Politics prior to fall 2020 but wish to follow the fall 2020 curriculum may consult their Student Success Advisor about submitting a Change of Catalog Year request.
