To be sure the Degree Works version of this worksheet reflects the same information, **students should forward any approved exceptions** of the following requirements to their Student Success advisor.

In addition to the requirements outlined in this program worksheet, Lang has specific general requirements, including a minimum number of credits in liberal arts courses as well as college residency requirements. **All students should read the general Degree Requirements at the Lang website** [bit.ly/LangBABS] **and consult with their Student Success advisor in addition to their Departmental Faculty Advisor each semester to ensure they are on track to graduate.**

Students can earn a dual BA-MA degree in five years, instead of six years. 12 swing credits can be earned with GSOC courses during the Lang years. The choice of such courses must absolutely be discussed with the Director of Undergraduate Studies [email: socdus@newschool.edu] when declaring a major and/or in the Junior year.
