The New School collected a combination of 1,297 survey responses and knowledge data from the Class of 2014 between February to July of 2015.

The top five industries are:
1. Fashion
2. Education: Higher Education/Administration
3. Design: Graphics
4. Advertising/Marketing/PR
5. Government/Public Administration/Public Policy

6% of alumni have reported that they are pursuing further education.

* Knowledge data refer to data collected from secondary sources such as The New School student records, faculty, administrators, peers and social media.
