THE NEW SCHOOL HOUSING AND RESIDENTIAL EDUCATION
GENDER INCLUSIVE HOUSING AGREEMENT FORM

In that during the 2017-18 academic year, I will be residing in an on-campus residential area designated specifically as gender inclusive housing, I understand and agree to the following:

- I will be responsible for upholding the standards of the suite which are in congruence with the core value of respecting all persons. I seek to learn from diverse experiences and perspectives.
- I understand that the vision and purpose of gender inclusive housing is to provide a community that is a safe space for all persons regardless of their gender identities, gender expressions, or sexual orientation.
- I understand that I am making a commitment to live on-campus in a gender inclusive suite for the entire academic year.
- It is my responsibility, with my fellow suitemates, to fill any vacancies within my gender inclusive living space with a currently matriculated student should a roommate move out. It is expected that any confirmed vacancy will be filled within 14 business days. I will go above and beyond to welcome a new roommate(s).
- I understand that if I am not able to fill a vacant space within my suite that the Housing and Residential Education office will do so and that I may have to consolidate into other gender inclusive suites if necessary.
- It is expected that I will complete a roommate agreement with my Resident Advisor (RA) within the first few weeks of the fall semester. Should there be a room change within my unit, I understand that I will be expected to update the agreement with my RA within one week of a new roommate taking occupancy.
- I will respect and safeguard the privacy and personal space of all of my roommates and suitemates
- I agree to attend community meetings when scheduled.
- I understand that I am fully responsible for following all university policies and procedures as outlined in the Student Code of Conduct and Residence Hall Handbook.
- I understand that the Housing & Residential Education reserves the right to make changes as deemed appropriate by staff.
